JANUARY

2025

Spirit of the Lord moved at Christian Embassy International Church

It was my great honor and joy to minister at Christian Embassy International Church (CEIC) in Chesapeake, VA. It was my first ministry in 2025. During the altar call, many came out and touched by the power of God and received their healing and deliverance. Praise the Lord!

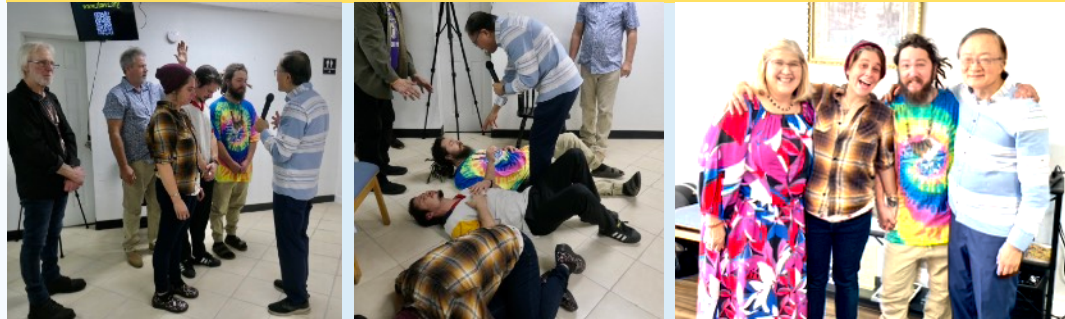

Power of the Lord moved at Wind & Word Life House Church in FL

I have been ministering at Wind & Word Life House Church for the past 7 years. I ministered to the participants with four different power point messages. During the altar calls, most of the participants came forward to receive their salvations, healing, and deliverance.

Germaine has been suffering with Breast cancer since 1993, a severe side effect of neuropathy in both of her hands and feet (she couldn't feel them for over 30 years), diagnosed with Primary Immune Deficiency and Lupus, and almost died six times with various side effects. When the power of God touched Germaine, she was slain in the Spirit for a while. When she got up, she was able to feel her hands and feet and all her pains left her body and she was totally healed. She gave her testimony on Sunday.

Elizabeth and Steward came to the church on Sunday morning service (the 26th) for the first time. During the altar call, they came to surrender their lives to Christ. As I prayed for them, the power of the Holy Spirit fell upon them and they were deeply touched and filled with the Spirit. We pray that they will settle down and be disciplined by the leaders to be Christ's witnesses in the world.

RLM's Support for Ukrainian Orphans and Refugees in Ternopil

Through Ethnos Church in Ternopil, RLM was able to send relief funds to help orphans and refugees from the Eastern war zones. These refugees and orphans have been taken care by the church. These refugees have lost their homes by Russian bombing and they do not have any place to go back to. They received care and food packages and orphan children received clothes and shoes. We pray that war in Ukraine will be over soon.

May the Lord shine His light upon you and shower you with His blessings in 2025!

We, at RLM, would like to claim Isaiah 60:1-2 for you in 2025, "Arise, shine; for your light has come! And the glory of the Lord is risen upon you. For behold, the darkness shall cover the earth, and deep darkness the people; but the Lord will arise over you, and His glory will be seen upon you."

We thank the Lord for all of RLM's faithful supporters and partners who made it possible for us to minister in the U.S. as well as in the world to equip indigenous leaders to expand the Kingdom of God among their own Unreached People Groups. As the New Year has begun, we pray that not only our faithful donors but also God will raise many new donors to empower us to expand the Kingdom of God in the nations of the world for His glory.

Dr. Lee will be teaching the Evangelism, Missions, and Miracle course at CEIC Bible School in this Spring semester. He will use RLM's Global Harvest Network (GHN) seminar courses to teach the students. Dr. Lee and Margarita will minister in Peru for the first time in March. Dr. Lee is planning to minister in Ukraine in April if the Lord wills and hopefully the war will be over by then. May the Lord abundantly bless you as you continuously sow into RLM in 2025 for His glory!
