Singapore and introduced the GHN Seminars

After prayer, his back was  
totally healed.

My spiritual children, Randolf and Lisa, invited me to introduce the GHN seminar to Singaporean young leaders from three different churches. Also I met with Pastor John Koe who has been involved in evangelizing Unreached People Groups in Asia. If the Lord wills, I will go back to Singapore to conduct the GHN seminars through Pastor Koe's connections next year. Ric Pangan from Virginia Beach, who had been certified to teach the GHN courses, went with me to assist in teaching. Randolf and Lisa took very good care of us.

Myanmar has 87.9% Buddhists and 6.2% Christians. The majority of Christians are from Chin, Kachin and Karen tribes. About 4/5 of the country's Christians are Protestants.

It was my great joy to expand the GHN training to Myanmar in October and to Singapore in the future. Ric Pangan accompanied me to teach the GHN courses with me. In Myanmar, selected indigenous Missions Mobilizers were equipped through the GHN seminars and 15 of them are currently engaged in evangelizing the Unreached People Groups (UPGs) in the country. The GHN graduates promised to train other converted leaders from UPGs with the seminar materials. They all expressed that the GHN courses will be very easy to train other indigenous leaders because the whole PowerPoint courses are totally based on the Scriptures.

In order for us to expand the GHN training courses to equip other indigenous leaders in the 10/40 Window Countries, we need your prayers and monthly financial support. As you sow into RLM, we can equip more indigenous harvesters to evangelize their own UPGs for His glory. Thank you for sowing!
