Signs, Wonders, and Miracles in Colombia

Conducting a GHN course for leaders

Many leaders touched by the Lord

Many were healed by the Lord

With young leaders at the church

Margarita and I have been ministering in Colombia for over 30 years. We taught the GHN seminar courses and ministered to over 100 leaders from 8 different countries via zoom for 4 days at Community of Faith Church in Bogota.

Leading young people to the Lord

After prayer, her eyes were healed

Power of God touched them

Her vertigo condition for 2 years was healed.

She was healed of her back and neck pain.

Her neck, back, knee, and ankle were healed.

The Holy Spirit moved in His divine power and healed and delivered many leaders in Barranquilla.

Pastor Roman distributing goods

Through RLM's help, Pastor Roman in Vinnytsia was able to help many needy elderly and children.

By the grace of God, Margarita and I have been ministering in Colombia where Margarita was born for the past 30 years working closely with Pastor Eduardo in Bogota and Pastor Harold in Barranquilla. During this trip from June 25 to July 15, we were able to train the young leaders of Community of Faith Church in Bogota and in Barranquilla. Over 100 souls have been saved and many others were filled with the Holy Spirit, received healings and deliverances from the bondages of the power of darkness. We have been invited to partner with their apostolic leaders to equip church leaders and to train them with the GHN seminar courses for rising young leaders in Colombia in the future.

Prayer concerns:

- Please pray for my trip to Ternopil and Vinnytsia with Daniel, a Ukrainian American missionary, from August 7 to 21. We will have to fly to Warsaw, Poland and take a bus to Ternopil which will take approximately 12-15 hours.
- We are planning to conduct revival meetings at Ethnos churches in Ternopil and Vinnytsia as well as providing some relief funds for them to help needy children, transitioning refugees, and poor elderly people. If you are led by the Holy Spirit to support RLM's cause to help destitute Ukrainians in this trip, you can send your special offering for them through RLM.
- Your generous sowing into RLM each month has made it possible for us to equip national leaders and to provide relief goods for Ukrainians during this war. May the Lord richly bless you as you sow into RLM for His glory!
