Testifying of her healing

Testifying of his healing

It was my great honor and joy to travel to Cuba with LGM (Leanne Goff Ministries) team members on 21-28 January. Margarita and I had the privilege of ministering in Cuba in 2004. Since then, Cuba has been opened to Western tourists and churches have been growing in the power of the Holy Spirit regardless of the persecutions. I was able to train 70 plus leaders from 11 different churches in two day GHN seminars. I taught them how to move in God's kingdom authority and power and bringing His Kingdom Culture to transform every human culture with His love. I also traveled to another church to minister to spiritually hungry Cuban Christians. Seven people gave their lives to the Lord and over 10 people received God's divine healing. It was such a blessing to witness Cuban Christians' passionate worship and prayers during each service.

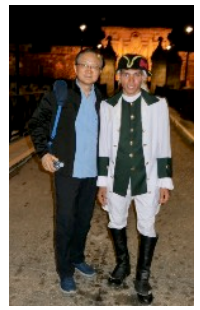

The team leader of this mission trip, Leanne Goff, the Founder and President of LGM, has come to Cuba 55 times since 2004. She has sown into Cuban spiritual sons and daughters of God with her whole heart to bless multitudes of God's churches for His glory. It was my great honor and privilege to come with LGM team members to minister to her affiliated and spiritual sons' churches in three different cities.

During this trip, Cuban Christians' passionate praise and worship and their expression of seeking more of God's presence in their corporate prayers left a lasting impression in my heart.

Sonia who is the assistant to LGM gave a powerful testimony of how God delivered her from potential 40 years of jail time, as well as her divine healing from five years of suffering with Multiple Sclerosis.

Tesir who was a former Muslim from Iraq and Iran also shared his encounter with Jesus Christ in his dreams that led him to be a born-again Christian.

Mark who was my room mate during this trip shared his testimony of adopting five children besides his three biological children and foster parenting 21 other children. He also testified about the loss of his wife 12 years ago and how his first mission trip to Cuba transformed his life eight years ago.

We at River of Life Ministries deeply appreciate the monthly support of our faithful sowers. As you sow into RLM, you are going with us to the nations to equip and train indigenous leaders so that they can evangelize their own Unreached People Groups. May the Lord abundantly bless you, your family, church and business with His divine life, health, peace, favor and provisions as you sow into RLM each month!

Please come and be a part of the Global Harvest Network (GHN) Conference in Virginia Beach from March 12 to 15 (Register today at www.rlmva.org).

Pray for all the necessary funds to come in order to cover the GHN Conference that will be held in a Central Asian country in March.

As the Lord wills, I will go back to Cuba to equip other church leaders with the GHN seminars in the future.
