## God's Mighty Presence Saved, Healed and Delivered MS-13 Gangs at the Detention

It was our great joy to conduct the GHN Conference at an Immigration Detention Center in Virginia. There are over 700 inmates from over 70 countries at the Center. During the Conference from June 4 to 9, 89 inmates from over 15 countries, signed up to participate in the conference. The majority of them were from Mexico, Central and South American countries so we had to conduct the conference in English and Margarita translated it to Spanish. Also, we had Lisa and Michelle from FL and Gena and Press from Lynchburg who came to teach the courses together with Dr. Lee. John and Jen from Virginia Beach and Pastors Brian and Mary from Ireland came to take part in the GHN Conference. Within 30 minutes of teaching the first course (Kingdom Authority and Power for World Missions), 42 inmates surrendered their lives to Jesus Christ. As many of them will be deported back to their own countries, they told us that they will be God's disciples to evangelize their own unreached people groups.

One MS-13 gang member who had an injured right leg and had an appointment to see a doctor was totally healed when Dr. Lee prayed for him. This miraculous healing opened many inmates' hearts to pay attention to the rest of the teachings. By the end of the week, over 20 of them received God's miraculous healings and most of them were filled with the Holy Spirit, as they forgave others who had hurt them and cried out to the Lord to forgive their sins. Six MS-13 gang members surrendered their lives to the Lord and all of them were baptized in the Holy Spirit with tears freely flowing from their eyes. They said to Dr. Lee, *"When we get out of here, we will evangelize many gang members to the Lord and serve Him all the days of our lives."* The Lord's glorious presence came down upon them and touched them with His unconditional love whenever we ministered to them. Jesus said in Matthew 25:40, *"Assuredly, I say to you, inasmuch as you did it to one of the least of these My brethren, you did it to Me."* We give all the glory to the Lord for what He had done for the inmates.

**From the 3rd day on, inmates began to worship the Lord before Dr. Lee and the team arrived at the chapel.**

It was RLM's great joy to conduct the 3rd GAN Conference at the Detention Center in June. God moved with His compassionate heart to save 42 inmates and to heal their broken hearts and wounds and delivered them from many demonic bondages. Several Africans and three Muslims were among the saved. When the presence of God powerfully came into the chapel, almost all of them fell by the power of God and many wept with the joy of the Lord!

Dr. Lee and Margarita will take part in "The Fellowship" Conference in Scottsdale, AZ from July 3rd to 7th. On July 12th, Dr. Lee and his granddaughter will go to Ukraine to minister at "Youth in Action" Camp and to conduct a GAN Leadership seminar for the leaders of "Ethnos Church" in Ternopil from July 13 to 30. Your generous support of RLM during the summer months will be greatly appreciated. May God richly bless you as you sow into RLM for His glory!
