The Holy Spirit moved mightily at Ethnos Church in Ternopil, Ukraine

Dr. Lee conducted one of the GHN course “God’s Heart for the World” during Ethnos Church’s Missions Conference on October 5th.

During the Sunday morning service on October 6th, the Holy Spirit moved in His power to save, heal, and deliver many people.

RLM supported Natasha and her disabled husband who came from Kherson and they have lost everything.

RLM supported Galina who came from Donetsk region. Her apartment was totally destroyed by bombing.

RLM helped the Romanyshyn family who adopted an orphan boy from Melitopol, Eastern war zone

We helped the Moroz family who had to leave everything behind in the Eastern occupied territory.

It was great joy to meet our Ukrainian disciples. When I first met them 10 years ago, they were children and teenagers, but now the boys are head taller than me. They became mighty young men and women of God who serve at the church in different functions. Regardless of the war, they have been walking closely with God without complaining.

Dr. Lee and Margarita traveled to Krakow, Poland on Oct. 2nd to meet Pastor Vladimir to travel to Ternopil, Ukraine. However, our luggage didn't arrive with us, so we had to stay one more night in Krakow. We got our luggage on the 3rd and we drove to Ternopil. It took over three hours to clear Polish and Ukrainian customs at the border. While we were in Ternopil, Russians bombed over 1/2 of Ukraine with many rockets. By the grace of God, none of the rockets came to the Ternopil region. I was so blessed to witness that Ethnos Church raised over \$65,000 U.S. dollars equivalent funds for world missions after I conducted my seminar on World Missions on Oct. 4th. Ethnos Church has been supporting indigenous pastors in Central Asian countries to evangelize their own Unreached People Groups. RLM will join with their missions.

Brother Arsen's bended back was healed and 87 years old lady's hearing and sight were healed in Graz.

Ministered at a Ukrainian refugee church, Murcia, Spain

Ministered to the church leaders (10/17)

With Ukrainian refugee church members in Murcia

Dr. Lee ministered at a Ukrainian refugee church in Murcia, Spain. On Sunday, Oct. 20th, several refugees accepted the Lord Jesus Christ. Dr. Lee also ministered to Tanya (left) who escaped from Mariupol with her two children. Sadly, her husband was killed by Russian bombing.

During this missions trip, Dr. Lee and Margarita went into Ternopil, Ukraine to minister at Ethnos Church and to help orphans and refugees. While they were in Ternopil, Pastor Vladimir identified four refugee families for RLM to provide their needs. Dr. Lee ministered a World Missions seminar during Ethnos church's annual missions conference on Oct. 5th and a revival service on Sunday the 6th. During the altar calls, over 30 people gave their lives to Christ and many others received healing and deliverance. After that, Pastor Vladimir, Veronica, Dr. Lee, and Margarita drove to Graz, Austria. We had to go through Hungary and Slovenia to reach Graz. We stayed at a Ukrainian missionary's home and when Dr. Lee prayed for Arsen, his bended over back was healed and his 87 years old mother-in-law's hearing and sight were healed by the power of God. She was able to hear without the hearing aids and read the small print Bible without her glasses. Arsen and Ala will move to Monte Negro to establish Ethnos Mission Church in the near future. Dr. Lee will visit them next year if the Lord wills. After that, they drove through Italy, France, and reached La Manga, Spain to minister at another Ethnos Missions church for Ukrainian refugees in Murcia, Spain. Dr. Lee ministered to the leaders of the church on Oct. 17th and the Sunday service on the 20th. On Sunday service, several refugees accepted the Lord Jesus Christ and many others were healed and delivered from the bondages of darkness. As the Lord wills, Pastor Vladimir and Dr. Lee will minister in Central Asia and he will go back to Ukraine next year. Thank you very much for your faithful support of RLM. May the Lord richly bless you as you sow into RLM!
