After ministering to the leaders of Scripture Union in Singapore (left); with our Singaporean spiritual children (2nd left); With Margarita (Right)

Dr. Lee ministered at a Bible School in Batam, Indonesia. The Holy Spirit touched, healed, and delivered many students.

Dr. Lee & Margarita with Batam Bible School Students. They rededicated their lives to Christ (L).

The young lady (above right) was totally healed of her severe pain in her stomach when Dr. Lee and Margarita prayed for her. The young man (left) was healed and delivered when Dr. Lee prayed for him. He was testifying his miracle healing to his classmates in Batam Bible School in Indonesia.

Dr. Lee is one of the visiting professors at International Christian Mission Bible School in Batam, Indonesia. It was his second visit to minister at the Batam Bible School through Dr. Arnold Khoo's (the President of Scripture Union and ICM in Singapore and Indonesia) connection. During the altar calls, the Holy Spirit moved mightily to save, heal, and deliver many students. Also, Dr. Lee was scheduled to minister at a young people's camp in a newly constructed SU camp in Batam; however, the authority closed down the camp.

Ministered at Pastor Zebua's church on Sunday, April 14th. Over 20 people gave their lives to Christ and many others were healed, delivered, and filled with the Holy Spirit. We took a picture with young leaders of the church (bottom right).

After the camp was closed by the Islamic authority, SU (Scripture Union) camp leaders invited the village leaders and 60 other families to come over to the new camp site for dinner. Dr. Lee and Margarita also served them and gave gifts to children. The Muslim village leaders were very happy to have met the SU leaders and the bridge between them has been established for the camp.

### Ministered at Path Community Church in Seoul, Korea

Dr. Lee preached at Pastor Ji's church and many rededicated their lives to Christ. Dr. Lee led Ji to the Lord around 20 years ago.

By the grace of God, Dr. Lee and Margarita had a blessed time of ministries in Singapore, Indonesia, and South Korea from April 3rd to 24th. During this trip, the Holy Spirit moved mightily to bring His divine salvation, healing, and deliverance to many young people. As the Lord wills, Dr. Lee will continuously travel to equip multitudes of young leaders in Asia for His glory.

Please pray for his upcoming revival meetings at Church of the Savior in Lexington, KY from May 17 to 20. Dr. Lee will minister in Bulgaria in June. Since July 1992, Dr. Lee planted Missions Training Centers throughout Bulgaria and the graduates planted over 135 churches. Dr. Lee and Margarita will travel to Bogota, Colombia to conduct four other GHN seminars for young leaders at Community of Faith Church in Bogota. If the Lord wills, Dr. Lee will also go back to Ukraine to minister in September and in Singapore and Cambodia in October. Thank you very much for your faithful sowing into RLM which makes it possible for Dr. Lee to travel and minister in the nations. May the Lord richly bless you as you sow into RLM!
