Signs, Wonders, and Miracles in Costa Rica

Sherly has suffered with non-stop back pain due to three herniated disks for over a year. After we prayed for her, she was totally healed and served us snacks and teas.

A young lady had a car accident and almost died two years ago. As we prayed for her, she was totally healed and filled with the Holy Spirit. She cried for almost 20 minutes, rejoicing over her total healing and being filled with the Holy Spirit. She said, "I cannot describe with words but I am so happy now."

A man was brokenhearted over the death of his daughter, son-in-law, and granddaughter who were murdered a month ago. When we prayed for God to heal his broken heart and restore his life by His divine mercy, grace, and peace. He experienced God's divine healing.

This woman also suffered with her back pain for a long time. When we prayed for her, God touched and healed her back completely. She was rejoicing over her healing in tears and thanksgiving.

A young lady was totally healed of stomach pain that she had suffered with for a long time.

A man felt the power of God touching him and he testified that his back and knee pains were gone. He was also filled with the power of the Holy Spirit and rejoiced in Him for baptizing in His Spirit.

A pastor was marvelously touched by the power of the Holy Spirit and he told us that he was rejuvenated by the Lord.

Pastor Alex's kidneys are only functioning 30% and he has been in dialysis for a few months. He is waiting for a kidney transplant from his daughter in the right time. He also needs cataract surgery on his left eye next month. Praying for miracle healing!

Dr. Lee and Margarita have been ministering at many different poor villages throughout Costa Rica for the past 20 years. During this trip, they also went and ministered to poor villagers in small churches near Perez Zeledon and conducted a GHN seminar course (How to move in God's Kingdom Authority and Power!) to 25 local pastors and leaders under Pastor Yamil's affiliates. The Holy Spirit moved during each service by saving souls, healing, and delivering many people from the bondages of darkness. One man who had been separated from his wife for five years was racially saved and he immediately repented of his sins and reconciled with his wife that night. Jesus Christ marvelously baptized many poor villagers with the Holy Spirit and they were filled with His presence while they were under the power of God on the dirty concrete floor. One young lady cried out with tears saying, "I feel a cool water of life flowing over my whole body and experienced the joy of the Lord like I never have experienced in my life. I will never forget what God has done for me tonight. I will serve Jesus Christ all the days of my life."

Ministering at Hope for All Nations on Sunday, February 19th. 10 people gave their lives to the Lord and several received supernatural healings.

Dr. Lee conducted a GHN seminar for 25 local pastors from the Perez Zeledon region. They all received fresh impartation from the Lord.

Dr. Lee and Margarita went to minister at a poor village church, Centro Victoria de Rivas, on February 16th. 12 people were saved and seven people were healed, many others were filled with the Holy Spirit. Dr. Lee and Margarita were also invited for a pastor's wedding in Perez Zeledon.

During this trip, Pastor Yamil said he would make a connection to his affiliated churches in Chile to invite Dr. Lee and Margarita to come and train the leaders with the GHN seminar courses. They would also do revival meetings there in the near future. Please pray for their next missions trip to Colombia in March. However, Dr. Lee's mission trip to Asia in April has been delayed until the fall. Please pray that God will open His perfect mission for Dr. Lee in April and May.

Because of RLM's faithful monthly supporters, Dr. Lee is able to travel to the nations to equip indigenous leaders and to conduct revival meetings for His glory. If you haven't supported RLM in the past, it will be a great blessing for us to provide relief goods for Ukrainian refugees and to expand God's mission to the nations. Please pray that God will supernaturally give brand new kidneys to Pastor Alex and that his cataract surgery (RLM provided the funds) in March will go well. If you have changed your email address, please provide it to us via the remittance envelope. May the Lord abundantly bless you!
