Ministered at Mutual Faith Gathering 2026 at APC in Lynchburg, VA

It was my great joy and honor to take part in ministering at Mutual Faith Gathering 2026 at All Peoples Church in Lynchburg, VA on Sep. 10 to 13. I taught on "God's Power of Healing and Deliverance." During the altar call, the Holy Spirit moved in His power and touched and healed the participants of the conference. May the Lord bless Pastors Jeff and Nancy Clark the founders of Mutual Faith Ministries and Pastor Jeff Crawford of APC.

Ministered at Evangelical Pentecostal Churches (EPC) in Pleven Region in Bulgaria

God sent me to Pleven, Bulgaria in July 1991 to minister at EPC Pleven. I met Pastor Moden Marlnov to establish the first Missions Training Center in Pleven and another one in Plovdiv. Since then, the Missions Training Centers spread to over 30 cities and the graduates planted over 135 churches throughout Bulgaria. Pastor Moden is now 80 years old and he still ministers among churches in Pleven region where he has apostolic covering. During this trip, Sister Nedka, Pastor Moden's wife, cooked meals for me and Bulgarian interpreters and Pastor Moden organized special meetings and drove me to Kirchevo, Lukovit, Levski, and Troyan to minister at EPC churches under Pastor Moden's responsibility of apostleship over them. During the altar calls, many were saved and healed by the power of the Holy Spirit.

Ministered at an EPC in Kirchevo, Bulgaria

With Pastors Stoika and Moden

Pastor Stoika of the EPC in Kirchevo used to be a gang member who turned to be a pastor who established the church in a Muslim village. God has been using him mightily to evangelize five other adjacent villages near Kirchevo. During the altar call, the Lord moved in His power to save and heal

Ministered at an EPC in Lukovit, Bulgaria

This EPC is a Gypsy church where Pastor Moden has been overseeing their ministries. They are open to the move of the Holy Spirit and during the altar call, many surrendered their lives to Christ and received His divine healings.

Ministered at an EPC in Levski, Bulgaria

I have known Pastor Sasho and Sister Vanya (far right picture) for over 12 years and it was my great joy to minister at his church where the Holy Spirit moved and healed a blind eye (2nd picture from left). She was a totally blind lady and God opened her right eye to see for the first time.

Ministered at an EPC in Troyan, Bulgaria

The Lord moved in His power to touch them.

Since 1991, God has been sending me to minister and to establish Missions Training Centers (MTCs) to equip Bulgarian young leaders to evangelize their own unreached Gypsy, Muslim, and other Bulgarian villages. It is great to witness that the graduates of the MTCs have planted over 130 churches throughout Bulgaria for the past 35 years. I had a great joy to meet with Pastor Tateos and his wife, Milena who pastors the largest EPC in Sofia for the past six years. When I shared the vision of the Global Harvest Network (GHN) equipping seminars to train new generation of young Bulgarian leaders with them, Pastor Tateos, the first graduate of MTC in Plovdiv, he invited me to conduct the GHN seminars at his church in April 2027. *In order for Dr. Lee to continuously equip national leaders through the GHN seminars in Bulgaria and beyond, we would like to ask you to sow into RLM each month for His glory. God bless you!*
