Have the Most Blessed Christmas and New Year!

We, at RLM, would like to express our deepest appreciation to our faithful supporters who made it possible for Dr. Lee and Margarita to conduct GHN seminars and to minister at 11 different countries (including Singapore, South Korea, Spain, and Austria) in 2024. We also helped many Ukrainian refugees, orphans, and needy children in Vinnytsia and Ternopil regions. As soon as the war in Ukraine is over in the near future, Dr. Lee will minister in Ternopil, Vinnytsia, and other cities to bring God's divine healing to multitudes of suffering, wounded, and destitute Ukrainians. During this winter, we will provide more relief funds to Ethnos church in Ternopil and Nazarene church in Vinnytsia to purchase fuel to operate generators and to help orphans and refugees.

Please pray for Dr. Lee and Margarita's missions trip to Guatemala, Peru, Bulgaria, Ukraine, and other Asian nations in 2025. We pray that God will guide you to sow your year-end generous donation to RLM for His glory. With your sowing, Dr. Lee will continuously be able to equip indigenous leaders with the GHN seminar courses so that they can evangelize their own Unreached People Groups. We claim Malachi 3:10b for you, "If I will not open for you the windows of heaven and pour out for you such blessing that there will not be room enough to receive it." May the Lord bless you with His divine life, health, favor, provision, wisdom, anointing, power, and protection in 2025!
