*Happy and Blessed
Thanksgiving!*

*May the Lord pour out His divine blessings
upon your family during this Thanksgiving
season according to His promises in
Deuteronomy 28:1-14!*

What do we need to be thankful to the Lord for during this Thanksgiving Season?

By the grace of God, I had the privilege of traveling to more than 100 countries in the world to share the Gospel of Jesus Christ for the past 35 years. I have encountered poverty, death, famine, corruptions, destruction, war, disasters, sufferings, diseases, etc. among the people groups in the world without knowing the Savior, Jesus Christ. Through the help of many wonderful and faithful supporters of River of Life Ministries, we were able to share the Good News of Christ, to equip young indigenous leaders to become Missions Mobilizers to evangelize their own Unreached People Groups, and to provide relief goods to orphans, refugees, and destitute people in the world. As we live in the U.S. regardless of our own troubles and struggles, **we as Americans have many things to thank the Lord for during this Thanksgiving Season:**

1. We need to **Thank the Lord for His divine gift of life each day** for His glory. Knowing our Lord and Savior, Jesus Christ, we are able to enjoy life on earth and eventually eternal life in heaven. We only have one life to live and as we surrender our one life to Him, He will live through us to make our life be a blessing to others.
2. We need to **Thank the Lord for our family, loved ones, friends, church, job, and ministries** for His glory.
3. We need to **Thank the Lord for living in one of the best countries in the world in terms of living condition:** we have central heating and AC, clean bathrooms, relatively clean water to drink and air to breath, organized road condition, paved roads, and cars to drive.
4. We need to **Thank the Lord that we can freely choose a home church** among many churches in town. Many persecuted Christians in the world have to be very cautious about attending an underground church with the fear of being arrested or killed.
5. We need to **Thank the Lord that we can freely buy and carry a Bible** wherever we may go, but in many persecuted countries, just owning a Bible can be a capital punishment or jail sentence for many years.

Christian Embassy International Church in Virginia Beach hosted “Rescue Hampton Roads” Evangelism Training & Outreach and Evening Miracle Healing Service where I had a privilege to preach on November 11th. Margarita, I and two other members went out to Lynnhaven Mall and led six people to the Lord, two people received God’s divine healing, and three people received impartation of the Holy Spirit at the mall. During the evening Miracle Healing Service, almost all the participants received the impartation prayer to be anointed to move in God’s Kingdom Authority and Power to heal and deliver others and many were healed by the power of God.

Testimony 1: The Holy Spirit gave Margarita a word of knowledge about meeting a man with yellow hoodie. He sat next to us so I went to him and asked him that he needed any healing. He was a believer and his ankle was hurting. I prayed for him and his ankle was totally healed at the food court of the mall.

Testimony 2: I was able to pray for them to receive the Holy Spirit so that they can win more souls to Christ at the mall.

Testimony 3: As I was leaving the mall, I saw two brothers coming toward me. I called them and told them they need Jesus Christ. They immediately agreed and accepted Him as their Lord and Savior. Praise the Lord

Many participants received God’s divine healing and impartation of His anointing to minister in His power. Two young ladies (L) were baptized in the Spirit.

Pastor Oksana

Pastor Roman’s wife Oksana in Vynnytsia, Ukraine has a very severe scoliosis in her back that requires surgery. It will cost \$10,000 U.S. dollars in Ukraine. She asked me if some of our friends will be able to support her surgery cost. Please pray and support her cause.

We, at River of Life Ministries, gives all the glory to the Lord who has mightily used us for His glory throughout this year. As we are entering into the Thanksgiving Season, we are so grateful for the generous support of RLM’s faithful donors who make it possible for us to lead many souls to the Kingdom of God, to equip multitudes of indigenous leaders to evangelize the world, and to provide relief goods to poor, hungry, and needy orphans and refugees in Ukraine. **Thank you so much for your generous support of RLM and we continuously need your ongoing monthly support to touch the world for His glory.**

Please pray for our upcoming mission trips to Costa Rica in January, Colombia in March, and Singapore and Indonesia in April. **As you sow into RLM, you are empowering us to touch the world for God’s glory until Jesus Christ comes back.** Also, **if you are led by the Holy Spirit to help Pastor Oksana’s back surgery cost, you can send your check to RLM address or do a credit card donation through RLM’s website (www.rlmva.org).** May the Lord abundantly bless you, your family, business, and church during this Thanksgiving Season with His divine favor, grace, mercy, and love!
