Ministered at Turning Point Church in Virginia Beach

Pastor Heartsille Reynolds
The current Senior Pastor

Dr. Clarence McPherson, Founder of
Turning Point Church

Turning Point Church had been established by Dr. Clarence McPherson, who was my class mate at Regent University in 1987. He became one of my best friends and was one of the Board members of my mission work for 30 years. We would pray together and had regular lunch fellowship once or twice a month. With my great sadness, he passed away on May 24, 2019 while he was ministering in a church in St. Louis, MO. I lost my dear friend and co-partner in ministry. Pastor Reynolds succeeded Pastor McPherson as the Senior Pastor. Turning Point Church has been one of the faithful partners and supporters of RLM for many years. I had the privilege of ministering at the church many times in the past, and I was invited to minister at the church again on March 8th. I preached with all my heart for the Lord, as well as for my friend who is in heaven. The presence and glory of the Lord came down during the altar call; most of the congregation came forward and were touched, healed, delivered, and blessed by the Holy Spirit.

All of our earthly relationships are temporary and they will be terminated by death, except our relationship with Christ which is eternal. Of course, if we are in Christ, we will meet our loved ones again in heaven someday. We do not know when our earthly relationships will be terminated on the earth. Therefore, we must love our wives, husbands, children, grandchildren, and friends intentionally and wholeheartedly while they are around for God's glory.

It was my great joy to pray for Mrs. McPherson and her three children during the altar call. Many other young people were touched by the power of God. Pastor Reynolds and I have decided to be reconnected and to have regular fellowship and prayer together each month as I had done with Pastor McPherson in the past.

We are living in the last hour of the last days and we must put our total trust in the Lord and do exactly what He guides us to do. Only then will we be blessed with His promises in Jeremiah 17:7-8 which states, "Blessed is the man who trusts in the Lord, and whose hope is the Lord. For he shall be like a tree planted by the waters, which spreads out its roots by the river, and will not fear when heat comes; but its leaf will be green, and will not be anxious in the year of drought, Nor will cease from yielding fruit."

Our mission plans to minister in Turkey and Cyprus in April have been canceled. However, Daniel and I will be ministering at a conference in Tashkent, Uzbekistan in the beginning of May. Please pray that God will provide all the necessary mission funds and we will be used by God to be a great blessing to Uzbek young people. Margarita and I will be ministering at Mission South America's 50th year anniversary as one of the main speakers in June.

We thank the Lord for many faithful supporters of RLM for many years. Because of your prayers and financial support each month, we are continuously able to win souls and make disciples in the nations for His glory!
