The Glory of the Lord manifested at Community of Faith Church in Bogota

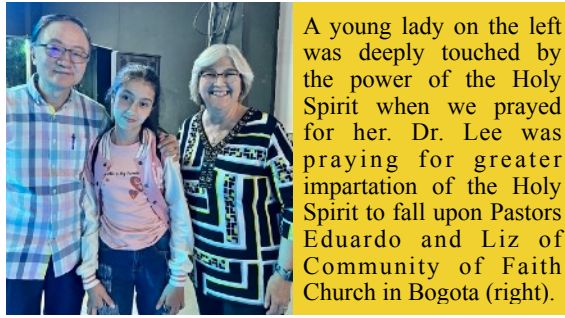

Bogota

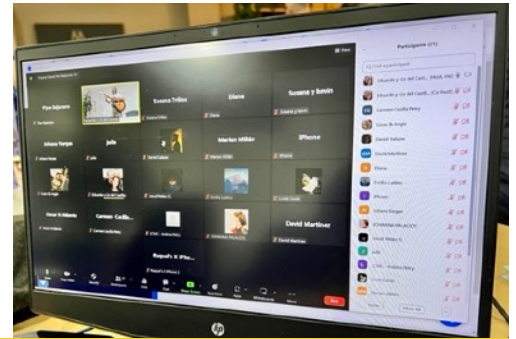

Dr. Lee and Margarita ministered at Community of Faith Church in Bogota, Colombia. During the altar call, the presence of the Lord came down and over 50 people surrendered their lives to the Lord. Many others received their divine healings and deliverances and were filled with the Holy Spirit. All the glory to Christ!

A young lady on the left was deeply touched by the power of the Holy Spirit when we prayed for her. Dr. Lee was praying for greater impartation of the Holy Spirit to fall upon Pastors Eduardo and Liz of Community of Faith Church in Bogota (right).

Dr. Lee and Margarita had the privilege of ministering to the leaders and pastors of Community of Faith Church with 21 other pastors joining the training via zoom. Also, they had a zoom training session for 92 pastors and leaders from Colombia, Venezuela, Ecuador, Peru, Spain, France, Bolivia, Chile, and the U.S. through the ministries of Mission South America and Community of Faith Church in Bogota.

Dr. Lee led six of Margarita's Family Members to Christ

Dr. Lee and Margarita have been ministering at Community of Faith Church in Bogota since 1993. Pastors Eduardo and Liz of the church have been like a brother and sister to them. Due to the Covid pandemic, they haven't been back to Colombia for almost four years. They made a plan to come back from June 24 to July 15 to conduct Global Harvest Network seminars in Barranquilla and Bogota, Colombia for young leaders and pastors. It was also great to minister to 113 pastors and leaders via zoom in two different seminar sessions.

While they were staying at Margarita's sister-in-law's home, who is a retired dentist, she recommended Dr. Lee to do the dental implant surgery to fix his dental issues in his bottom front teeth with one of the best implant specialists in Colombia. Therefore, Dr. Lee did four implant surgeries with Dr. Lindo in Bogota which costed him only 20% of the cost if he did in the U. S.

When Dr. Lee goes back to Colombia, he will also have a permanent bridge over the four implants. Your prayers and faithful financial support make it possible for Dr. Lee and Margarita to continuously minister and conduct the GHN seminars to equip Christian leaders to evangelize their own Unreached People Groups. If you would like to assist Dr. Lee's dental implant cost, you are welcome to sow into that for His glory (\$6,400). Thank you very much for your generous sowing into RLM!
