The Spirit of the Lord moved in His mighty power in Peru

Conducted GHN Seminars

With Dr. Lourdes (L) and Susan

Margarita and I have been praying for 12 years that God would open a door for us to minister in Peru. Last December, Sister Susan Malone, who is the Founder of Asia Vision and my classmate at Regent University, contacted us and asked us to consider going to Peru to minister in March 2025. God assured us that it was from Him for us to minister in Peru. We ministered at 15 different churches and evangelistic gatherings in Lima and Ancon from March 6 to 17. We were invited by Dr. Lourdes and she traveled with us to all 15 events to assist us. We visited churches located in many poor mountain villages and ministered to children, women's groups, and adults. **Most of these churches were the only evangelical churches among hundreds of homes located in the hills of mountain ridges. We first gathered unchurched children from the poor villages and led many of them to the Lord and the adults came for the services in the evenings. Throughout the whole trip, over 400 salvations, many miracle healings, and deliverances took place. We give all the glory to the Lord!**

Conducted a GHN Seminar on "Kingdom Authority and Power"

With a Peruvian police woman

By the grace of God, wherever we went, Peruvian Christians welcomed us wholeheartedly. We ministered at 12 Assembly of God churches and three Independent churches in Lima and Ancon, Peru. When we ministered at Mount Horeb church, Senior Pastor Niño, who lost her beloved wife during the COVID pandemic season, invited us back to his church in June to establish River Missions Training Center (RMTC) to equip their young leaders and to train them with Global Harvest Network (GHN) seminar courses. Pastor Niño's daughter, Lizbeth and her husband, Stanley will direct the One year discipleship training RMTC at their church. They have over 100 young people to be equipped to raise Peruvian Missions Mobilizers to evangelize their own Unreached People Groups and to send their missionaries to the nations in the near future. Thank you very much for your faithful support of RLM. As you sow into RLM, we will touch the nations together for His glory. Please pray for Dr. Lee's missions trip to South Korea in May, Peru in June, Ukraine in July, and ministries to Native Americans and churches in Wisconsin in August. May the Lord richly bless all you do as you sow into RLM!
