Conducting GHN Seminars for young leaders

Ministered in Bogota, Colombia

Impartation prayers for young leaders

Many young leaders were mightily touched by the Spirit

Prayed for a pastor's wife and her two beautiful daughters who lost a husband and father who was a wonderful pastor. Please pray for their safety (Left).

With some of the young leaders

It was our great joy to conduct four GHN (Global Harvest Network) seminar courses for young leaders in Community of Faith Church in Bogota, Colombia and also ministered at two associated churches in the outskirts of Bogota from March 7 to 19. Over 40 young leaders in person and also 100 other pastors and leaders from eight different countries joined the seminars via Zoom video call. During the impartation prayer time, the mighty Holy Spirit came down upon them and filled them with His anointing and power. We also prayed for a pastor's wife and two daughters who had lost her father and pastor who was assassinated by one of the gunman led by a socialistic anti-Christian guerrilla group. Margarita and I prayed for their broken hearts to be healed and to live fully to fulfill God's call upon their lives for His glory. After prayer, they received Father God's divine comfort and peace with tears flowing down their faces.

Ministered at Wind & Word Life House Church in FL

Conducted seminars at the church

With some of the leaders of the church

Margarita and I went to minister at two churches which were located in poor villages. They were very happy to receive us. During the altar calls, the presence of God came down and over 40 people were saved and many others including children received His divine healing and deliverance at those churches. After we came back from Colombia, we went to Wind & Word Life House to conduct seminars and revival meetings. Once again, the Holy Spirit touched them and saved, healed, delivered most of the people who took part in the meetings. We give all the glory to the Lord Jesus Christ.

*Please pray for our next mission trip to Singapore, Indonesia, and South Korea in April. I will be ministering to young people at the ICM camp ground for a week and ministering at different churches. **Through your prayers and monthly financial support, we are able to go to the nations to equip young indigenous leaders to evangelize their own unreached people groups. May the Lord abundantly bless you according to His promises in Luke 6:38 as you sow into RLM for His glory!***
