During the last day of the conference, many young people were filled with the Holy Spirit and they received divine healing.

May 10th Sunday Service at the church

His totally deaf left ear was opened after prayer.

Dr. Lee originally scheduled to minister to young leaders in Tashkent in March 2018, but he had to cancel the trip because of the COVID pandemic. By the grace of God, Pastor Jacob invited him to minister to young leaders in Tashkent again in May organized by Pastor Volodia from Ternopil, Ukraine who has been ministering in Uzbekistan over 10 years. Pastor Roman from Vinnytsia, brother Roman from Ternopil, and Daniel from California joined this mission trip. **Over 150 young leaders came for the conference in Tashkent. Over 90 young people gave their lives to Christ and received their healings and deliverances during the altar calls. Dr. Lee also preached at Yangi Yo'l church on two Sunday services on May 3rd and 10th. During the altar calls, over 40 people gave their lives to Christ and the Holy Spirit moved in His divine power and healed many people from their sufferings from various infirmities.** Two people whose left ears were deaf were miraculously healed and one lady whose eyes were legally blind was also healed. We give all the glory to the Lord.

Please pray for Dr. Lee and Margarita's next mission trip to minister at the 50th anniversary service as one of the main speakers in Cali in June 12-14 and they will be ministering in Bogota, Colombia in June 16-20. **As you know well, doing God's mission in the nations requires missions funds. Please pray and ask the Lord how much He is asking you to sow into RLM for His glory.** May the Lord richly bless you as you sow into RLM according to His promises in Luke 6:38!
