Ministering at Living Faith Christian Fellowship (LFCF) Filipino Church Retreat

Young people surrendered their lives to Christ

Camp fire at the Retreat Center

It was my great joy to minister at the LFCF's Summer Retreat on August 13 - 14. Half of the congregation came out for the retreat and over 14 young people gave their lives to Christ. Pastor Ric Pangan and his wife Lynn traveled with Margarita and me to minister in Costa Rica in the past and Ric traveled to Singapore and Myanmar to conduct the GHN seminars with me in Oct. 2018. Ric is one of the Senior Advisors of the Global Harvest Network ministries of RLM. During the altar calls, the Holy Spirit moved in His power to save, heal and deliver many young people and adults. My granddaughter and Margarita went with me to the camp meetings.

MINISTERING TO SRI LANKAN PASTORS AND LEADERS VIA ZOOM

Sri Lankan pastors and leaders asked me to pray for their families, churches and healings for COVID related sicknesses among them on August 15th. First, I shared the message that the Holy Spirit inspired in my heart with them and began to pray for each of the pastors and their family members via a zoom conference call. Some of them declared that they felt the heat of the Holy Spirit coming down upon them and received His divine healings and deliverances. Omnipresent God touched them regardless of the distance from Virginia Beach to Sri Lanka.

“For I will restore health to you and heal you of your wounds; says the Lord.” (Jeremiah 30:17)

“So you shall serve the Lord your God, and he will bless your bread and your water. And I will take sickness away from the midst of you. (Exodus 23:25)

PROGRESS OF THE CHILDREN'S HOME IN KREMENCHUK, UKRAINE

By the grace of God, the Children's Home in Kremenchuk will receive its first orphans by the end of September. It hasn't been totally completed yet; however, the government social service will train Pastor Avilov's family to begin to receive a few children at first as they continuously work very hard to finish the exterior as well as interior of the Home as quickly as they can. I will be traveling to Ukraine on Sep. 2nd to minister at a mission's conference in Ternopil from Sep. 3 to 9, and Pastor Crawford and I will travel to Kiev to minister at Pastor Nick's church on Sep. 9 to 11. On the afternoon of the 11th, we will travel to Kremenchuk to see the progress of the Home and to minister at three different poor villages. Pastor Jeff Crawford, one of RLM's board members, will travel with me to Ukraine. I will find out the final estimated cost to finish the Home during this trip to inform our donors.

Pastor Avilov's family ministering to poor families and children

By the grace of God, I proudly served in the United States Air Force for almost 10 years before I resigned my commission as a Senior Captain to become His Missions Mobilizer to the nations in 1987. It breaks my heart to witness what has been happening in our beautiful country recently.

Let us repent for the sins of our land and ask the Lord to restore His hedge of protection upon us and bring His divine revival to save, heal, and deliver multitudes of hurting souls in the United States of America.

Please also pray for Pastor Jeff Crawford of All Peoples Church and me to have a safe and Holy Spirit filled ministry in Ukraine from Sep. 2 to 17. **As you sow into RLM, you are going with us to the nations to equip indigenous leaders to become Missions Mobilizers to evangelize their own Unreached People Groups and to bless orphans in Kremenchuk, Ukraine for God's glory.** Please continuously pray for us and support RLM missions to the nations. May God abundantly bless you as you sow into His kingdom work according to His promises in Deut. 28:1-14!

FAREWELL TO OUR DUTCH FRIENDS: WOUTER AND MARGO (RLM ECCLESIA GROUP)
