Ukrainian refugee center near NEM

Dr. Lee ministered at NEM in the Netherlands, invited by the director of NEM, Wouter Van de Fliert, from July 24 to August 4th. Wouter was a medical doctor who worked at NATO in Norfolk, VA as a Dutch Lieutenant Colonel from 2018 to 2021. Dr. Lee and his wife, Margarita, became very good friends with Wouter and his wife, Margo. When he went back to the Netherlands, he retired from the Dutch Army and became the director of NEM. He invited Dr. Lee to minister at NEM summer camp. Dr. Lee conducted a GHN seminar for a young adult group and 16 young people gave their lives to the Lord during the altar call. He also ministered to over 60 teenagers on July 27th at the camp and over 50 of them gave their hearts to Christ. On July 30th, he ministered to Ukrainian Messianic Jewish refugees residing in the compound of NEM. They were captured by the Russians in Mariupol, sent to Russia, and all the women were abused by Russian soldiers. Dr. Lee ministered in three services on Sunday, July 31st, to young people and adults. He prayed for several people to be healed and filled with the Holy Spirit.

Pastor Alex Guzman in Costa Rica Needs Your Support

Pastor Alex had a successful surgery to correct his right eye's cataracts and now he needs another surgery on his left eye while it will cost another \$2,200. He was originally scheduled to have a surgery on August 6th but he did not have any support, so he postponed his surgery to August 26th. RLM also did not receive any support funds for his surgery. Your generous donation towards his surgery will be greatly appreciated.

Margo leading worship with Ukrainian young people

Dr. Lee ministered at RLM Ecclesia Fellowship at the Quick's home on August 7th. For the past 15 years, Dr. Lee has been equipping and mentoring American friends from five different local churches on Sunday afternoons. He tries to model RLM Ecclesia Fellowship to be more like the home churches in the book of Acts by moving in the power of the Holy Spirit.

In order for RLM to equip and train national young people in the world with Global Harvest Network (GHN) seminars, we need your prayers and ongoing monthly support. As you sow into RLM, you are going with us to the nations to expand the Kingdom of God for His glory. May the Lord abundantly bless you as you sow into RLM!

Thank you so much for your prayers for Margarita Lee. The surgery to replace her main heart valve went well and she has been gradually recuperating at home.

Please pray for Dr. Lee's missions trip with Pastor Jeffrey Crawford and Daniil Lapyuk to Singapore, Indonesia, Cambodia, Vietnam, and South Korea from September 1st to 22nd. Dr. Lee will conduct several GHN seminars and revival meetings in these countries. **May the Lord shower you with His divine blessings, health, life, and provisions as you sow into RLM!**
