Conducted the GHN seminars at SIB Kingfisher Church in Kota Kinabalu. During the altar call, six ladies were healed by the power of God.

*It was my great honor and joy to minister at Theological College of Missions, Batam Pastors Conference, and five different churches in Batam, Indonesia from September 13 to 17 and a SIB church in Pekan Pitas and a SIB Kingfisher church in Kota Kinabalu, Malaysia from September 19 to 24. As one of the visiting professors at ICM Plus in Singapore, Dr. Arnold Khoo arranged my ministry schedules for this trip. I conducted several different GHN seminar courses to equip young leaders in Batam, Pekan Pitas, and Kota Kinabalu. During the altar calls, the power of the Holy Spirit came down and saved over 230 people, healed over 30 people from various kinds of sicknesses, and cast many demons out of 10 young people during this trip. I was also able to conduct the GHN seminar courses for young leaders and 50 Batam pastors. During the impartation service, most of the pastors and leaders were deeply touched by the fresh anointing of the Holy Spirit. The pastors association leaders in Batam and in Malaysia invited me to come back and conduct GHN seminars in the spring of next year. As the Lord wills, I promised to them that I would come back and minister next year again. **As you sow into RLM each month, you are empowering us to equip multitudes of young leaders in the world for God's glory. May the Lord richly bless you!***
