Helping Ukrainian Refugees!

APRIL

2022

RLM's Ukrainian Refugee Support in Ukraine and in Poland

By the grace of God, Dr. Lee has been in Ukraine 15 different times to minister in various churches in 10 different cities for the past nine years. RLM was able to provide funds to help Pastor Avilov to build a Children's Home in Kremenchuk during the COVID season. Three weeks prior to the war, he was able to convince Pastor Avilov's two daughters (Maria and Lisa) to evacuate to Warsaw, Poland due to the imminent situation of potential war. Since the war broke out in Ukraine, Maria and Lisa were able to assist the Ukraine churches in Krakow and Warsaw to provide the necessities to incoming refugees. From April 3 to 11, Dr. Lee went to Warsaw to join with Pastors Sergii, Maria, and Lisa and in Krakow, Poland with Pastor Andrii to provide and help their relief operation for Ukrainian refugees flooding into Poland. RLM also has been supporting Pastor Avilov's Children's Home which turned into a Refugee Center in Kremenchuk and Pastor Vladimir's church in Ternopil. Dr. Lee led over 30 refugees and young people to the Lord during this trip and provided the funds for them to purchase relief goods to support the Ukrainian Refugees. *If you did it to one of the least of these My brethren, you did it to Me.* (Matthew 25:40)

Provided goods for the warehouse for the refugees to pick up what they need (left); Provided supplies for a refugee lady in Krakow (top left); A soup kitchen operated by Pastor Andrii's church; Giving a Bible to a girl (right)

Dr. Lee led many Ukrainian refugees to the Lord in front of Warsaw Train Station. When he interviewed some of them, they shared with him their heart breaking stories. One lady told him that she buried her husband in her back yard three days ago and she left her city of Kharkiv with her two beautiful children. He prayed for her and led her to the Lord.

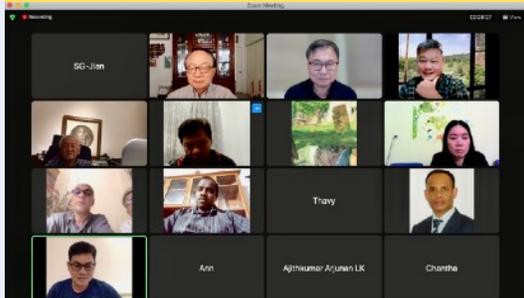

Dr. Lee ministered at Pastor Sergii's Church in Warsaw. Maria was his interpreter and six young people gave their lives to the Lord.

Dr. Lee taught two Global Harvest Network Courses for 24 Asian pastors from six different countries

Provided funds for Pastor Vladimir in Ternopil to buy relief goods for the transitioning refugees hosted at the church. They have been hosting hundreds of refugees since the beginning of the war.

*It has been a very busy month for Dr. Lee. Through faithful supporters of RLM, he was able to go to Krakow, Warsaw, and Przemysl border city to work closely with Pastors Sergii, Andrii, Maria, and Lisa to provide funds to purchase the relief goods for the Ukrainian refugees. Also, he was able to purchase the necessary items for Pastor Avilov, Tatyana, Anna, and two orphan children in Kremenchuk from Poland. Within a few days, Pastor Avilov received the goods in Kremenchuk. The Ukrainian refugees in Poland and Ukraine will need our support throughout this war season and beyond for a long time. **RLM has determined to provide relief goods for the warehouses in Krakow and Warsaw as well as on-going support for Pastor Avilov's Children's Home in Kremenchuk and Pastor Vladimir's church in Ternopil. If the Lord wills, I will go back to Poland either in May or June to support their relief effort. Your \$1,000, \$500, \$300, \$100, \$60, or \$30 support for the RLM's Ukrainian Refugee cause will be greatly appreciated. May the Lord abundantly bless you as you sow into RLM for His glory!***
