## Please Remember RLM Ukrainian Friends' Faces and Pray for Them!

With young people in Vinnytsia, Ukraine

With orphans near Vinnytsia

With young people in Solonitsa, Ukraine

Two weeks before Russian invasion began, I was able to send Lisa and Maria to Poland where they are helping Ukrainian refugees.

Children's Home in Kremenchuk

Pastor Avilov, Tatyana and Anna are staying at the Children's Home to take care of the orphans and refugees coming to Kremenchuk.

With the congregation of a church in Kiev

With young ladies at a school in Solonitsa

With young leaders in Ternopil, Ukraine

With the young people at Youth in Action Camp in Ternopil, Ukraine

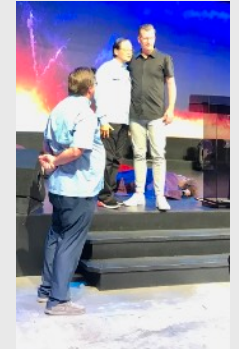

I led the young girls above to the Lord at a McDonalds in Kremenchuk. Please remember these young people in your prayers. I do not know these precious Ukrainian young people's wellbeing!

After Day one of the Russian Invasion, Pastor Avilov and Anna took Bibles, adult diapers, and other items to help a local nursing home for elderly.

I visited New Life Church in Destin, FL and I was asked to close the meeting on Feb. 22. Instead, the Holy Spirit opened the meeting for anyone who needed to be healed, delivered, and baptized in the Holy Spirit. As I asked if anyone needed to be filled with the Holy Spirit, the altar was filled with many people who were hungry for more of the infilling of the Spirit. Even all the young people came forward and the Lord touched them with His love and the power of the Holy Spirit. Several people came to me and told me that they were healed and delivered from bondages. I give all the glory to the Lord. Margarita and I were also able to pray for Tim who lost his dear wife, Dar, almost one year ago who was one of the board members of RLM. She was a true Christian sister to Margarita and me and we will always miss her until we see her again in heaven.

May the Spirit of David come upon President Zelenskyy and empower him to defeat the modern day Goliath with the power of God! I was able to contact Pastor Avilov two days ago and he told me that he is turning the Children's Home into a refugee center to take care of many of them coming into Kremenchuk. However, they are also ready to move if the Spirit directs them to do so. Pastor Vladimir at Ethnos church in Ternopil also turned his church to receive many refugees to feed them and provide shelter. I wasn't able to talk with Pastor Nick in Kiev so I do not know how he and his church are doing at this point. Pastor Roma and his family in Vinnytsia also turned his church to be a refugee center to help many transitioning Ukrainian mothers and children, and orphans are safe so far. Pastor Avilov's two daughters (Maria and Lisa) have been in Warsaw, Poland for the past few weeks and they are currently busy helping Ukrainian refugees at the border. Anna (2nd daughter) decided to stay with her parents and orphans in Kremenchuk and they are safe. ***I have decided to go to Poland to minister at a Ukrainian church in Warsaw and to visit the refugees at the border to see how RLM and DHF can help them in April. PLEASE PRAY FOR UKRAINIANS!!!***

*Maria and Lisa are renting a room in Warsaw and they need \$500 per month support and we will find a way to help the refugees in Poland in the near future through Maria. Your generous support for the Ukraine cause and general RLM support will be greatly appreciated. Thank you and may God shower you with His divine blessings!*
