By the grace of God, in 2025, the Holy Spirit guided RLM to bring revival meetings at several churches in the U. S. and to minister at 15 different churches in Lima & Ancon, Peru, four different cities in Colombia, and conducted a Youth Conference in Ukraine. We were also able to provide relief funds to help refugees and orphans from the East War Torn regions in Ukraine through Pastor Roma in Vinnytsia and Pastor Volodia in Ternopil. We also established a River Missions Training Center (RMTTC) at Mt. Horeb Church in Lima, Peru.

RLM's faithful partners made it possible for us to continuously bring the Spirit led revival meetings with signs, wonders, and miracle following to the churches in the U. S. and in the nations. Also, Dr. Lee conducted Global Harvest Network (GHN) seminars to equip national missions mobilizers so that they can evangelize their own Unreached People Groups.

Your generous year end sowing into RLM will be greatly appreciated. May the Lord abundantly bless you, your family, business, and church according to His promises in Luke 6:38!
