Would you help the
Ukrainian Refugees, young
people, and orphans in
Romania? They need you!

to Ukrainian refugee young
people and children (Left)

Dr. Lee helped Pastor Avilov's two daughters (Maria and Liza) to escape from Ukraine to Poland three weeks before the war broke out. Since then, Maria and Liza have been organizing relief supplies to help Ukrainian refugees in Poland as well as sending the supplies to suffering Ukrainians in war zones and orphans at the Children's Home in Kremenchuk. Dr. Lee visited them in April and May to help their relief operations in Poland. Maria and Liza also organized many evangelistic outreaches to minister to Ukrainian refugees in Poland. Dr. Lee joined them to lead many refugees to Christ in Poland. Now, God has called Maria and Liza to Sighisoara, Romania to help the Ukrainian refugees and orphan children through working with Romanian churches in the region. They provide food, humanitarian supplies, Christian tracts and Bibles, and minister to the Ukrainian teenagers, refugees, and orphans. River of Life Ministries (RLM) will continuously support their ministries in Romania. Yesterday, Dr. Lee was able to talk with Brother Tudose Liviu who is one of the leaders for the region in Sighisoara, Romania. Dr. Lee discussed with Liviu about his future visit to the region to conduct the Global Harvest Network (GHN) seminars to equip Romanian young leaders and to evangelize unchurched peoples and to minister to the Ukrainian refugee children.

Helping the Ukrainian Refugees in Ternopil

Since 2015, Dr. Lee conducted the GHN Conference and equipped over 600 young people through “Youth in Action” conferences at Ethnos Church in Ternopil, Ukraine. Pastor Khabarov of Ethnos Church and Dr. Lee went to Kyrgyzstan to evangelize several Unreached People Groups in September 2018. Since the beginning of the war in Ukraine, RLM provided some funds for Pastor Khabarov to take care of many refugees transitioning from the Eastern front line cities to Poland at his church. Recently, RLM also provided some funds for them to purchase diesel fuel to operate generators to warm the church as well as other necessities to sustain refugees and poor church members during this winter. Regardless of the hardship they have been facing during this war, they have conducted “Youth in Action” and “Ukraine Missions” conferences in July and September. **However, they need our prayers and ongoing financial support to meet the challenges of handling and ministering to the many transitioning refugees in Ternopil. Your support through RLM will be a great blessing to them.**

Taking care of transitioning refugees at the church

Feeding the refugees at the church

Conducting a Youth Conference to encourage young people during the war

Regardless of the war in Ukraine, Pastor Khabarov conducted a Missions Conference at Ethnos Church (L)

Pastor Khabarov let refugees to the Lord and baptized them in a pool during this summer. He is determined to serve the Lord.

- Let us pray that the war in Ukraine will come to an end soon for the sake of millions of suffering refugees and Ukrainians inside the war zones. We need to not only pray for them but also tangibly support and provide their needs during this winter months. *If you would like to support Ukrainian refugees through RLM, then please send your financial support checks to our address or check into RLM's website (www.rlmva.org) to donate via PayPal, credit, or debit cards.*
- Pray for my dental problem of fixing a bottom front broken tooth and creating a partial denture over the missing bridge in the bottom front teeth within the next three weeks. Also I have been called for Jury duty from Dec. 5th to 16th.
- *As you sow into RLM, you are empowering us to save souls, to equip disciples through conducting GHN seminars, and to provide relief supplies for the Ukrainian refugees in Romania and Ternopil, Ukraine. We will also continuously help the Children's Home in Kremenchuk. May the Lord richly bless you as you sow into RLM! Thank you very much!*
