The Spirit of the Lord moved in Ukraine

Pastor Volodia & Veronica, the Senior Pastors of Ethnos Church in Ternopil, treated us at a local Sushi place while a siren was going on.

Daniel and I took the blue bus from Warsaw to Ternopil, Ukraine which took 12 hours. Julia (L) helped us in Warsaw.

I led Natalia, a worker for refugees to the Lord. She came to the church on Sunday.

Daniel & I took relief goods for refugees at a refugee center (L).

Ministering to young people at Ethnos Church in Ternopil

Many young people were delivered from spirits of fear and rededicated their lives to Christ. They were deeply touched by the power of God.

By the grace of God, I have been ministering in Ukraine for the past 10 years. It broke my heart to see so many Ukrainians have been suffering during this senseless war. I was compelled by the Spirit to go back to Ternopil and Vinnytsia to help poor and destitute Ukrainian elderlies and refugee children from August 7 to 21. Daniel, a Ukrainian American missionary, and I traveled to Warsaw, Poland and stayed one night there. On the 9th, we were able to get on a nice bus at 8:30 p.m. to arrive in Ternopil at 8:30 a.m. next morning. When we went through the Polish and Ukrainian border, it only took 30 minutes. RLM provided relief funds to Pastor Volodia in Ternopil to purchase relief goods to distribute to poor elderlies and destitute refugee children in those two regions. We visited the Open Heart refugee center where 57 adults and 22 children from the Eastern war zone resides in Ternopil. We distributed relief goods and shared the gospel with them. I was able to lead 6 refugee adults and children and a worker, Natalia to the Lord. I also preached at Ethnos Church young adults and leaders meetings and preached on the Sunday morning service. The Holy Spirit moved with His divine power and saved, healed, and delivered many struggling Ukrainians at the church. Many young people expressed that they were healed and delivered from spirits of fear during the altar calls. On August 14th, we left to Vinnytsia to provide relief goods and to minister at a Nazarene church and drug rehab centers.

I led an Airborne special force soldier (L) to the Lord and delivered him of PTSD.

I led a Ukrainian soldier who was going to the front line the next day to the Lord.

We purchased relief goods and visited 10 poor homes in three different villages near Vinnytsia and distributed goods and led all the family members to the Lord at each home. I was able to lead a 92 year old lady to the Lord and when we gave relief goods, she thanked us with tears in her eyes.

I was able to pray for Sasha (L: 12 year old son) and grandmother and Dasha (R: 15 year old daughter) who lost a son and father in the front line two months ago. RLM will help them financially as the Lord leads. The Holy Spirit came upon them and they found peace.

Ministering at Nazarene Church in Vinnytsia

A Ukrainian Church in Warsaw, Poland

A fundamental Baptist Church was transformed by the power of God. Pastor was baptized in the Spirit.

The Spirit of the Lord moved mightily with His power and saved, healed, and delivered many Ukrainians from spirits of fear and the power of darkness at a Nazarene church during the healing service. I also had a privilege of transforming a fundamental Baptist Church to be filled with the Holy Spirit. Over 30 Baptist people were supernaturally healed of various diseases during the altar call and the Senior Pastor was delivered from religious spirits and filled with the Holy Spirit. Because of RLM's generous monthly supporters, we are able to send relief funds to pastors in Ternopil and Vinnytsia and to minister to multitudes of hurting Ukrainians during this war season. Thank you very much. Please prayerfully support my next mission trip to Singapore, Indonesia, and Malaysia from September 10 to 26. I will be conducting GHN seminars to equip indigenous leaders and revival meetings. May God richly bless you as you sow into RLM!
