## Ministering to the tribal people in Mundulkiri, Cambodia

Dr. Lee, accompanied by Pastor Crawford and Daniel Lapyuk, ministered in Scripture Union (SU) Missions and ICM Plus in Singapore, Cambodia, Vietnam, and visited Korea from Sep. 1 to 27. Scripture Union was founded in England in 1867 and is now a global movement active in over 120 countries. Its mission is to create opportunities for children and young people to explore the Bible, respond to Jesus Christ and grow in faith.

Dr. Lee and his team had wonderful opportunities to minister to many young people who were hungry for experiencing God's Kingdom Authority and Power to evangelize their own unreached people groups. During this trip, over 250 young people were saved, healed, and filled with the Holy Spirit.

In Cambodia, we drove 3 hours from Phnom Penh to reach a Trabaek Buddhist village and over 150 Buddhist children gave their lives to Christ including 14 local Buddhist leaders. We drove another 4 hours to minister to several tribal people groups in Mundulkiri attended by 85 adults and 40 children. Over 50 people gave their lives to Christ, many others were touched by the power of the Holy Spirit and several were healed.

Our interpreter, Elizabeth's mother was suffering with 3rd stage ovarian cancer with great pain. When we prayed for her, she felt the fire of the Holy Spirit touching her ovary and her pain was gone. The next day, she was able to exercise and walk.

It was Dr. Lee's great joy to minister at SU Singapore, Cambodia, and Vietnam during this trip through the invitation of Dr. Hin Hyong Khoo, the Founder of ICM Plus and Arnold Khoo, President of ICM Plus and SU Singapore. Dr. Lee has been a faculty member of ICM Plus since 2020 and he taught all of the GHN seminar courses to over 50 Asian pastors from 8 different countries during the COVID pandemic season via Zoom video calls. Since the COVID pandemic restrictions have been eased this year, Singaporean SU and ICM Plus leaders invited Dr. Lee to minister in person from September 1 to 18. It was wonderful to witness so many young people in these countries demonstrated their deeper desire to understand how to walk in God's Kingdom Authority and Power to evangelize their own Unreached People Groups in Asia. Dr. Lee has been invited to minister in other Asian countries in Spring and Fall next year. In order for Dr. Lee to continuously equip and train indigenous young leaders in Asia with the GHN seminar courses, RLM needs your prayers and on-going monthly financial support. Your generous sowing into RLM will empower Dr. Lee to raise new generation of young leaders to work in the final harvest fields in Asia to evangelize their own Unreached People Groups until Jesus Christ comes back!
