Hear the Cries of Ukrainians!

Ukrainian orphans who RLM supported in the past have safely escaped to Czech Republic. However, some of the older boys had to stay in Vinnytsia.

RLM supported Pastor Avilov's two daughters (Maria and Lisa) to escape to Warsaw, Poland two weeks prior to the beginning of the war. Now, they have been ministering in the streets in Warsaw and helping with the distribution of the relief goods to other Ukrainian refugees in Poland.

Ministering at WAVE Leadership College and RLM Ecclesia Meeting in VB

I had the privilege of teaching on the power of the Holy Spirit at WAVE Leadership College on March 17th. At the end, I was able to pray for several students who wanted to be delivered and filled with the power of the Holy Spirit. The Lord moved in His power and touched them powerfully.

By the grace of God, I have been ministering to a group of people coming from over five different churches in the Hampton Roads for over a year. It has been God's ecclesia gathering and His Spirit has been moving to touch them.

Conducting a Missions Seminar at GO Church in Virginia Beach

It was my great joy to minister at the GO Church Mission's Conference on March 20th. I shared on the subject "How to move in God's kingdom authority and power to evangelize our own Jerusalem and to do missions among the Unreached People Groups in the world. During the altar call, the Holy Spirit moved in His power to touch many people to be filled with the Holy Spirit and to be healed and to be delivered from any bondages.

Ministering at Living Hope Church in St. Petersburg, FL

It was my great joy to lead a three day revival meeting at Living Hope Church in St. Petersburg, FL from March 25 to 27. The Holy Spirit moved in His mighty power to save, heal, and deliver several people during the altar calls. God has challenged them to get rid of the old wine skin and to receive His divine new wineskin through this revival. I believe that God is about to pour out His new wine to resurrect the church for His glory.

Saturday morning on March 26, a team of 8 people including pastor John, Ted, other leaders, Margarita and I went out for street evangelism in downtown, St. Pete. We prayed for a homeless man (top left), whose left ear was deaf for 10 years, to be healed. After we prayed for him several times, his left ear was opened and he was amazed by the miracle power of God. I prayed for the healing of a shop owner's (top 2nd picture) stomach issue and blessed her shop. After I prayed for her, she said, "I felt the fire of God coming down upon me and I am having a hot flash now. I know I am healed." I also had a chance to pray for two young ladies in the street (top 3rd picture from left). During the home meeting, the lady with a red blouse (top 4th picture) was suddenly healed of her neck and the curved back. When God touched her, a lady next to her could hear the loud pop and she was totally healed. I also prayed for an African-American lady's (top right) healing on her internal organ's problem and prophesied to her. She was delivered and healed.

The month of March was filled with God's special assignments for me and it was my great honor to move in His Spirit to minister to many people. I give all the glory to the Lord. *Now, I am preparing to take part in God's new assignment for me to go to Warsaw, Poland to minister at a Ukrainian church. I will also join with Pastor Sergii, Maria, and Lisa (Pastor Avilov's two evangelistic daughters) to evangelize Ukrainian refugees as well as to provide relief goods to show the love of God for devastated people in Warsaw and other refugee centers near the Polish border cities from April 3 to 11. RLM and DHF have been supporting the Children's Home which has turned into a transitional refugee center in Kremenchuk and Ethnos Church in Ternopil. RLM will also support Maria and Lisa's lodging, food, and any other necessities as long as they need to remain in Warsaw, Poland. They will be our contacts and representatives for the RLM's effort to continuously provide relief goods for the on-going refugee crisis in Poland. Your donations for the Ukraine Refugee Support through RLM will be greatly appreciated. Please pray for my trip to Poland in April. May the Lord richly bless you as you sow into RLM!*
