Ministered at Several Churches in Patzicia, Guatemala

Ministered at El Mesias Church where we have been ministering there for the past 38 years. 16 people gave their lives to Christ.

When Dr. Lee visited El Mesias' Mayan Christian School and the church, the playground and the auditorium had dirt floors and very thin tin roof. Dr. Lee was able to raise funds to pave the playground to have a baseball court and tiled floor for the auditorium with better roofing materials. Irma (L) was healed of her back and knee problems and another lady of her several different sicknesses.

Conducted a GHN Course at a new church

Ministered to 296 El Mesias School Mayan Children and over 200 of them gave their lives to Christ during the altar call.

Child Sponsorship Needed for El Mesias' Poor Mayan Students

These Mayan students at El Mesias Christian School need financial support to continue on their education. Some of them lost their fathers and single mothers are struggling financially to support them and the parents of the rest of them are also having economical difficulties. If you would like to sponsor one for \$25 per month with a year commitment will allow them to continue on their education at El Mesias school. Dr. Lee and Margarita will also sponsor two other children who are not on the above list.

Dr. Lee with Mayan Students

Since 1988, Dr. Lee and Margarita have been ministering and supporting El Mesias Christian School and Church which is located in Patzicia. It is a predominantly Mayan village. Pastor Gregorio and Sister Gladys are the leaders for El Mesias school and church ministries. Dr. Lee established River Mission Training Center (RMTTC) with Pastor Gregorio and he planted 48 new churches with the graduates for the past 25 years. We met two teachers at El Mesias School who told us that they accepted the Lord when we ministered to them when they were elementary school students. If someone would sponsor one of the above poor students, it will be a great blessing for him/her to finish his/her education at a Christian school.

Please pray for Dr. Lee's upcoming missions trip: his mission trip to Cyprus and Turkey in April has been cancelled but he will minister in Uzbekistan in May, Colombia in June, and Peru in July. Your faithful support of RLM makes it possible for RLM to continuously minister in the nations for God's glory. As you send us, you are going with us to fulfill Matt. 28:19-20!
